Modular storage space

territory
A new take on flexible rooms and storage space. Sedus terri tory:

Are you bursting with ideas? Sedus terri tory offers almost unlimited possibilities for turning your ideas into reality. As multifunctional furniture, terri tory offers storage space, creates zones and provides privacy for workplaces.

This allows customised rooms to be created which, thanks to their high degree of functionality and attractive design, satisfy all demands in terms of contemporary room layout and productive well-being.
With terri tory, the name says it all: Regardless of whether entire office landscapes are required or individual workplaces are to be separated, with its modular design, simple planning and high degree of flexibility, terri tory offers unlimited possibilities for room layouts and, at the same time, provides the storage space you need. Which means you can always plan ahead. After all, with terri tory, you are able to react to changing requirements at any time and redesign or gradually extend your rooms.

**Quick and simple assembly.** Just turn the Sedus key a quarter turn (90°) and the box and shelf are securely connected thanks to a specially developed fitting element.
Sedus Team workers. territory is the perfect complement to other Sedus products, for example, the temptation four desk system. The result: workplaces that are convincing in terms of aesthetics, atmosphere and functionality.
Improved working or improved communication? What about both!

Communication at the workplace is central to fruitful cooperation. Nevertheless, it must also be possible to work in a focused and undisturbed manner. terri tory satisfies these demands in a unique way. The various modules available as part of this comprehensive program are suitable for the most diverse applications and thus enable optimal room division. Meaning that concentration and communication can go hand in hand.

**Simple assembly.**
The adapter makes it child’s play to attach screens and other accessories to the functional rail.

**Elegant.** The discreet handles blend harmoniously with the overall look.

**Extra storage space.**
The suspended drawer provides a home for lots of office essentials.

**Simply practical.** The magnetic back panel for everything you do not want to lose sight of.
The idea: Numerous functions. The result: Favourite places.
Room divider, general storage space and meeting place – terri tory comes into its own where other systems fail. It successfully combines maximum functionality, ambience and a sense of well-being. As storage space for personal or general items, a focal point for spontaneous meetings or as a place to retreat to and recharge one’s batteries. All in all, the ideal conditions for ensuring the optimal use of space.
Excellent leadership style.

Attractive and focused, terri tory is also excellently suited as solitary furniture and for expressing your own style with the many design options. High quality materials, real wood veneers, elegant lines: terri tory leaves no doubt as to who bears responsibility in the office – for high aesthetic standards and good taste.
Visible claim to leadership. The international design awards underline the leader qualities.
Sustainability and quality “Made in Germany” have been key company principles at Sedus for more than 50 years. Principles that Sedus **terri tory** also embodies and which are reflected in recycling-orientated product design, ecologically tested materials, resource and energy-conscious manufacturing and ongoing quality tests.

This is why, for example, in the manufacture of the veneered **terri tory** fronts only selected woods such as beech, ash and oak from sustainable forestry are used. The jointless edge processing of **terri tory** is also worth it – for the eye and for the environment.

Around the world, Sedus adheres to the principles of the UN Global Compact for human rights, labour standards, the environment and anti-corruption.

**Innovative laser edging.** Seamless edge processing of the highest quality creates a durable, attractive and environmentally friendly end product.

**Native real wood veneers.** A fascinatingly beautiful and environmentally friendly base material from sustainably managed forests.

**Future ex-works.** High quality materials such as melamine make **terri tory** particularly durable even with multiple reconfigurations – and thus particularly sustainable.

A system with a system: the territory online configurator.

Variety is the key. Pure white or graphite black, with real wood veneer or melamine finish – even with the colour and material choice territory leaves virtually nothing to be desired.

*territory is open to everything – especially to your needs: with the online configurator you can conveniently plan and design your space with a few clicks. Get to know the possibilities of this modular storage space programme and easily adjust all elements to your needs. With the flexibly selectable height of up to four levels, the required level of screening to promote both communication and concentration is always achieved. Productive well-being from classically elegant to modern and stylish. Try it out:

**Practical and functional.**

With the extensive accessories, Territory offers ideal prerequisites to foster a climate of productive well-being.

**Attractive and versatile.**

The screen and decorative inserts offer many possibilities for an optimum interplay of communication and concentration.

**Unifying element.**

The shelves are available in five different widths from 800 mm to 2400 mm, can be easily linearly linked together and instantly connected with the boxes.

**Geared to requirements.**

The storage space boxes are available in various sizes. Depending on requirements, they are available as a shelf, with drawers, with hanging-file frames or upward-opening fold-up doors. With the 800 mm wide boxes corner configurations can also be created.
