Standard Fabrics

Where it all started, **HB-one** is the original lockable portable file storage system. Hang it on a tool bar or from a desk clamp, or clip it onto the Caddy to take it with you when you are on the move.

- Two ergonomic handles allow easy transfer and lifting
- Combination lock for security
- Flexible interior dividers and personal buddy to organise your space
- Integrated clip for securing to tool rail or HOTBOX® desk clamp
- HOTBOX® Caddy for convenient movement over longer distances

	Height	Depth	Width	Weight
Lid closed	270mm	250mm	385mm	3.2KG
Lid open	260mm	267mm		

Manufactured from recyclable polypropylene with aluminium inner panels.

HB-two designed in collaboration with **FORSTER**^{INC}
